

"ATOMIC IRAN" SHOULD BE A WAKE-UP CALL TO AMERICA AND EUROPE

From its inception, the Islamic Republic in Iran (IRI) has sponsored terrorism around the world, and caused immense suffering among the people of the Middle East.

- Islamic Republic has been a primary sponsor of the *Intifada* in Palestine, and a key supporter of *Islamic Jihad*, *Hezbollah* and *Hamas*.
- Islamic Republic has been a long time backer of Hezbollah in Lebanon and more recently aided the insurgency in Iraq.
- The Islamic Revolutionary Guard Qods force has been directly implicated in a number of major terrorist attacks around the globe, including 9/11.

Islamic Republic's decades long secret nuclear activities have finally been exposed to the world. IRI's nuclear facilities have consistently failed to meet the IAEA's standards of peaceful nuclear research and energy production.

- Islamic Republic has recently boosted efforts to master the full fuel cycle, and built secret underground facilities and tunnels to keep its illegal work hidden from the eyes of the world.
- Islamic military industries have recently increased the range of the Shahab-3 ballistic missile, and enabled them to carry atomic warheads.

The dual specter of Islamic Republic's support for terrorism and possession of a nuclear device poses a grave threat to international peace and regional stability. Islamic Republic will soon gain the ability to develop nuclear weapons and hold the international community hostage by conducting atomic warfare through its
